This schedule serves as your permit to play on the fields on the dates and times specified; you should carry a copy to all games. Players should be familiar with all USA Softball and NCC rules. Teams should arrive 20 minutes before game time and are encouraged to report to the fields when playing conditions are questionable. Line-up cards must be submitted during ground rules. All game results and umpire attendance must be phoned into the league scorer by 9:30 p.m. **NO ALCOHOLIC BEVERAGES ARE PERMITTED ON COUNTY PARKLAND!** Proper conduct is expected of all players. Players ejected due to misconduct must serve a minimum automatic two (2) game suspension in the next games played. A "Zero Tolerance" rule against profanity will be strictly enforced. *Players are prohibited from leaving their playing positions or the team bench area to enter a dispute as a third party with an umpire or opposing player.* **WARNING: Permanent first bases and synthetic batters' boxes are in use at select lighted fields.** Use of metal shoe cleats is prohibited. **A 1-1 count (no courtesy foul) is in effect for all batters throughout the season.** All games on all fields prior to Memorial Day weekend (and all Sunday Evening League make-up games) will have a 65-minute time limit in each game; any inning that starts after the time limit will be played "one-pitch".

Participation Rule: Male players are permitted to play in any combination of the following: 1 Fri. Co-Rec team, 1 Sunday Evening team, 1 M/W team, 1 T/Th team and 1 Masters/Senior League team (if eligible). Female players are permitted to play in any combination of the following: 1 Fri. Co-Rec team, 1 Sunday Evening team, 1 M/W team, 1 T/Th team and 1 Masters/Senior League team (if eligible). Additional professional and premier player restrictions apply.

Grace Period Rule (applies to all games): first 5 min. = no penalty, next 10 min. = team at fault loses 1st inning at bat, forfeit after 15 min.; **second game of doubleheader** - forfeit 45 min. after start time for game 1.

Teams pay "**Cash-On-Field**" to the umpire(s) before the start of their first game. Payment must be made in small bills. Each team is responsible for ½ of following umpire fees: full game = \$50 (2 umpires - playoffs only), \$30 (1 umpire); partial games = ½ full game fee. Forfeits (due to not having the required players to start) will be paid by New Castle County and billed to the offending team (invoiced amount will include an additional administrative fee).

Special CO-VID Procedures Are In Place

Special COVID protocols are in place and are summarized below.

A copy of the full New Castle County Outdoor Sports Operating Plan, which has been approved by the Delaware Department of Public Health, is attached at the end of this document.

Game Day Protocols

- Our operating plan has been approved by the Dept. of Public Health and must be followed at all times. Anyone refusing to follow the approved plan will be asked to leave the facility immediately.
- The QR Code shown in this document should be shared with all of players so they can complete the roster signing process BEFORE they participate. You can either scan or click on the code to get to the link.
- **PLEASE DO NOT ARRIVE MORE THAN 15 MINUTES BEFORE YOUR SCHEDULED GAME TIME**
- Everyone will be temperature screened and required to verbally verify that they do not meet any of the criteria that would restrict their access to the facility.
- **MASKS ARE REQUIRED AT ALL TIMES**, except for players while actively engaged in game play while on the field. This is a Dept. of Public Health requirement. Since DPH continually revises and updates their policies, NCC will monitor for any updates during the season.
- **DUGOUTS AND BLEACHERS ARE CLOSED** – teams and spectators should provide their own seating. 6' social distancing must be maintained by everyone not in the same household group.
- Teams must hit their own softball. A properly sanitized ball must be provided anytime the game ball goes out of play.
- **ANY INTENTIONAL DIRECT CONTACT WITH AN OPPONENT WILL RESULT IN IMMEDIATE EJECTION AND REMOVAL FROM THE FACILITY AND INCUR AN ADDITIONAL MINIMUM TWO GAME SUSPENSION!**
- Please leave the facility immediately upon completion of your game.

COVID Mitigation Plan

- Any player who tests positive, who is quarantined because they exhibit symptoms of COVID or who is exposed to someone who has tested positive must notify their manager immediately. The manager will then inform the Sports Office.
- Any official or staff member who tests positive, who is quarantined because they exhibit symptoms of COVID or who is exposed to someone who has tested positive must notify the Sports Office immediately.
- Once notified, the Sports Office, working with the New Castle County Office of Risk Management, will implement the appropriate COVID mitigation strategy as described in the attached Operating Plan.

Sports & Athletics COVID-19 Plan for Outdoor Sports Leagues

The New Castle County Sports & Athletics Section offers programming in accordance with the State of Delaware's Phase 2 Re-Opening directives and County Executive Orders. The health and safety of staff, participants, and the public remains the top priority. To ensure compliance we have developed guidelines and will be instituting several safety protocols and cleaning procedures at our sport complexes. A modified schedule and gameplay changes will be used to limit exposure. Our on-site staff will be responsible for monitoring and enforcing the social distancing protocols as well as the screening process and cleaning routines.

The guidelines below were drafted from the State of Delaware Phase 2 Re-Opening plan (<https://coronavirus.delaware.gov/reopening/phase2/>) and modified to accommodate our programs.

I. FACE COVERINGS

Every participant (players/staff/volunteers/parents/spectators) must comply with face covering consistent with the State of Emergency order. This is especially important when social distancing cannot be maintained.

- All of the programs offered by New Castle County are categorized as either Medium or Low Risk sports as defined in the Twenty-Seventh Modification.
- NCC Staff will be required to wear a face covering at all times.
- Players will be required to wear a face covering at all times except when actively engaged in practice or game play while on the field.
- Coaches will be required to wear a face covering at all times.

USA Softball equipment rules (www.softball.org) are in effect. NCC reserves the right to prohibit the use of any equipment which negatively impacts the recreational nature of the program.

- Officials will be required to wear a face covering at all times.
- Spectators will be required to wear masks at all times.

II. SOCIAL DISTANCING

Each sport must comply with social distancing guidelines of 6 feet or more for all players, staff, coaches, officials and spectators to the greatest extent possible.

- Team benches and dugouts will be blocked off to avoid players congregating around common spaces. Players will be required to spread out while not on the field.
- Spectators will be required maintain a minimum of six feet between household groups.
- Officials will be required to maintain a space of 6 feet or more when conducting the pre-game conference, communicating with coaches and players during the game and, to the best of their ability, while performing their officiating duties.
- Field usage schedules will be modified to limit the number games played at each site. Whenever stacking games is required, extra time will be allowed between games to avoid team to team crossover at the playing site.
- Players will be informed to wait in their cars before games begin and leave promptly after games are finished in order to ensure social distancing during non-playing time.
- NCC will not allow gathering in common areas around the sports complexes before/during/after games.
- All players will be required to bring and use their own equipment (no shared equipment). They will be instructed to use as much space as necessary to spread themselves out while not on the field of play.
- Intentional physical contact between participants, including, but not limited to, sport specific traditions such as pre-game conferences, post-game handshakes and “high-fives”, are prohibited.

III. HANDWASHING, SANITIZING, CLEANING AND DISINTECTING

- A. Players, staff, coaches, officials and all participants in sports should be encouraged to wash hands for 20 seconds with soap and water before and after practice and games. Hand sanitizer or hand washing stations must be readily available for all players, staff, coaches, officials, spectators and all participants throughout the business location, including at each entry and exit at a minimum. Hand sanitizer must be composed of at least sixty percent (60%) ethanol or seventy percent (70%) isopropanol.
- Hand sanitizer is available at each facility.
 - Players will be reminded to wash / sanitize before and after each activity.
- B. Facilities must be cleaned at least once per day. Use an EPA List 6 approved disinfectant for frequently touched surfaces.
- Staff will clean the necessary areas of our complexes before and after each game. Staff will routinely spray disinfect high contact points such as fences (where players hang equipment bags), restroom facilities and portable toilets.

IV. GENERAL REQUIREMENTS

- A. All facilities, organizers, and leagues must identify a safety and hygiene manager who is responsible for coordinating and enforcing COVID-19 protocols. All coaches, staff, officials, and families should know who this person is and how to contact them. Any plans submitted to DPH must identify this individual.
- A NCC staff member will be present at each game location to manage the site, conduct participant screening and enforce compliance with NCC and DPH policies and procedures.

USA Softball equipment rules (www.softball.org) are in effect. NCC reserves the right to prohibit the use of any equipment which negatively impacts the recreational nature of the program.

- B. Coaches, staff, officials, parents, and players must be informed about the expectation to stay home when sick, to contact the team safety and hygiene manager if they test positive for COVID-19, and to inform DPH about possible exposures. A health self-assessment must be completed by each athlete, coach and staff prior to engaging in any athletic activity in a facility, organization or league.
- NCC Staff will screen each participant, official and spectator before they enter the playing areas. Screening will consist of a verbal affirmation of lack of symptoms (Cough, shortness of breath and fever) and a forehead scan with a digital thermometer. Anyone with a temperature of 99.5 degrees or above will be prohibited from entering the complex.
 - At each screening station, signs will be prominently displayed that remind everyone that entry is prohibited if they exhibit any of the common symptoms of COVID-19: Fever, Shortness of breath or cough (See Appendix for sample).
- C. Teams and leagues must have written protocols to address participants who develop symptoms during the activity.
- To assist with contact tracing, the following information is collected from each participant: name, address, a phone number and birth date are collected from each player when signing their team roster.
 - The team manager must notify the Sports Office immediately upon learning of any players who have tested positive or are being tested because they have exhibited symptoms like those of COVID.
 - The managers of both teams will be required to notify their players of the potential exposure.
 - The team with a positive result will be quarantined from further participation for 10 days or until a sufficient number of players have received a negative result from a test conducted no sooner than 5 days after exposure.
 - The opponent of the team with the positive test result will have their next game postponed in order to allow sufficient time for notification, monitoring for symptoms and recommended testing.
- D. Sports organizations and facilities must post extensive signage instructing staff, participants, and spectators to wear face coverings and maintain six (6) feet of distance from others.
- Signs will be posted through each facility reminding participants of social distancing and face covering requirements. A copy of the signs can be found in the appendices of this document.
